### Terms of Reservation

I understand that to secure a property with **Student Rooms 4 U** I will need to pay a Reservation Fee. If I then drop out of the booking before my rent is due in August 2026, **Student Rooms 4 U** will keep the Reservation Fee. (For further information please refer to the 'Booking Information' page on our website and specifically to our Cancellation Policy).

**Student Rooms 4 U** will not confirm acceptance of this reservation fee until **all** students have viewed the property and will only accept payment when **all** students make their payments at the same time.

When I pay my first terms rent in August 2026, the amount paid as my Reservation Fee will act as a contribution to my first term's rent.

Once I have paid my Reservation Fee and filled out my booking form, a contract will be sent to me in due course. I will need to sign it and return it to **Student Rooms 4 U** within seven days of having received it (all contracts are sent and signed electronically via e-Sign).
